## Group Time Guide

**Supplies Needed:** An object of each of these colors found in the room: red, orange, yellow, green, blue and purple

### 1. Circle Up

**Circle Up:** Have all Kid-Os sit in one section of the room for story time.

### 2. Bible Story: Noah and the Great Flood

**Do This:** Read through the Bible Story at least one time. If Kid-Os are engaged, feel free to read it a second time.

### 3. Hands-On Option: Find the Rainbow!

**Say This:** In our Bible story today we learned about how God put a rainbow in the sky to remind Noah (and us) how much He loved us! When we see a rainbow, we can remember that God loves us too!

Let's play a fun game! The rainbow has LOTS of colors! Red, orange, yellow, green, blue, and purple! Can you guys help me find all the colors of the rainbow in our room? Every time we find something we will say "God loves me!" Ready?

**Do This:** Name something red in the room and have the kids run over to it and say "God loves me!". Repeat with all the colors of the rainbow. For added fun, do it a second time but incorporate the animals from the ark by having them find something red and then hopping like a frog to it (or barking like a dog, meowing like a cat, slithering like a snake, etc.)

**The Point:** "God loves me!"

### 4. Prayer

**Do This:** Pray! "Dear God, we love you. Thank you for loving us. Help us to remember your love every time we see a rainbow. Amen."
