

# A NEW FRONTIER

# Group Time Guide

Supplies Needed: Romans Road page.

## 1. Time to Talk

**Look Up and Read:** Romans 10:9. This verse is about how believing that Jesus is Lord and that He rose from the dead will save us.

- What's a question you'd like to ask God? (You don't have to answer all of these questions, simply encourage kids that their questions are important to God.)
- What are some reasons you think people follow Jesus?
- If someone asked you what God is like, what would you tell them?

**Do This:** Pray with the kids, thanking God for sending Jesus.

## 2. Activity

**Do This:** Read through the "Romans Road" page, following the instructions that go along with each verse. This tool will walk kids through why Jesus gave His life for us, and why we follow Him with our lives.

**The Point:** Following Jesus is the most important choice we can ever make. God made us to know Him and love Him, and Jesus made a way for us to do that. If you've never made that choice before, we'd love to help you do that today. They're going to talk about it a little more in our large group, and give you the chance to make that choice, but if you have questions or want some help, I would love to help you think through your questions, or make that decision if you're ready.

**Discuss:** If kids have any questions about following Jesus, this is a good place to discuss them. You don't have to have all the answers, but whatever the question, you can point back to the fact that Jesus loves them, and gave His life for them.
