Introduction and Rules

2:00

Welcome everyone! My name is _____, and I'm so glad to see each and every one of you. During our time together, we'll get to sing a couple fun songs, learn a memory verse, and hear an awesome story. Before we do any of that, there are three important things for you to remember. They're our three Kid-O-Deo rules!

Know This: This is a great opportunity to set the tone and expectations for your time together. Kids like to know what's expected of them too—it helps them feel safe and secure. You can make this section informative, helpful, and fun all at the same time!

Rule #1: When I'm talking you are listening!

Let's put on our listening ears and turn them way up! We'll also turn our voices way down, so that we can all listen super well.

Rule #2: Keep your hands and feet to yourself!

We want this to be a great place for all you leaders and Kid-Os, which means no poking, kicking, or bugging your neighbor. A good way to remember this rule is to: do a little clap and place your hands in your lap!

Rule #3: Stay in your spot!

You have a spot of your very own here in Kid-O-Deo, and it's right where you are sitting! It's important for us to stay in our spots, so that everyone can pay attention and have fun!

Great job listening to our rules. The rules are really great because they can help us learn and have lots of fun while we're here.

Big Idea

2:00

I love singing with you, Kid-Os! You can sit down. We're in a series today called "Camp Kid-O-Deo." Camp is a super fun place where you get to learn new things, meet new friends, sing, and have lots of fun! Those are all things we get to do here in Kid-O-Deo, too! In this series, we're learning how we can work with others to be good friends and family members.

We're learning a super important idea today. We call it our "Big Idea." Let's get ready to practice saying today's big idea together!

Big Idea Jingle

(Auto advance) Big Idea Slide: To be a friend I can say, good and kind words every day.

Today's Big Idea is, "To be a friend I can say, good and kind words every day." Can you repeat that after me? The Big Idea. THE BIG IDEA. To be a friend, TO BE A FRIEND, I can say, I CAN SAY, good and kind words, GOOD AND KIND WORDS, every day! EVERY DAY!

Do This: Show Kid-Os the actions and have them practice the Big Idea with you three times. You can have them repeat it after you each time. You could change it up by saying it really slowly or really quickly if they're getting it.

Know This: These are the Big Idea actions: (Place your hands in front of your face, palms out, then move them down in a rainbow motion) The Big Idea. (Give yourself a hug) To be a friend (cup one hand by mouth) I can say (cup other hand around mouth) good and kind words (thumbs up) every day.

Awesome job practicing our Big Idea! You can all sit down.

That Big Idea is so important, we're going to say it several times today. Whenever you see and hear a campfire, that means it's time to say our Big Idea together.

Big Idea Campfire Image and crackling audio

You can say it and still do the actions in your spot. Let's practice!

Let's say the Big Idea together. THE BIG IDEA. TO BE A FRIEND I CAN SAY GOOD AND KIND WORDS EVERY DAY.

Bible Adventure

5:00

It's so fun to sing with you! Next we get to learn more by going on a Bible Adventure.

Bible Adventure Jingle

Do This: Show kids the Bible.

The Bible is the greatest book ever. It's filled with things that God wants us to know! It has many true stories about people who loved God, and about things God has done. Today, we get to read something called a "Proverb," which is something a very wise

person wrote. A king named Solomon who loved and followed God wrote this proverb about the words we say.

Do This: Get the Bible storybook out and sit down in the chair.

This story you are going to hear comes from the Bible, but we use this storybook because the pictures help us imagine what it might have looked like back when the Bible was written. The pictures you see in here are the same as the ones on the screen. Let's get started!

Do This: Have kids help you "turn" the pages on the screen with an exaggerated arm wave.

Picture 1: King Solomon

King Solomon was a very wise person. He followed God and wanted to help other people do what God said was right, too. So Solomon wrote down advice to help people make wise choices. Some of the things he wrote were about the words people use.

Picture 2: Neighbors arguing

Solomon saw how powerful words can be. He saw people use mean and unkind words to hurt others. He saw people tell lies, make fun of people, and spread mean rumors about others. So he wrote that words have the power to destroy friendships and families. That's not all he saw, though.

Picture 3: People happily talking.

Solomon also saw people make wise choices with their words. He saw people say kind things about others. He saw them tell the truth. He saw them talk about how their family and friends were wonderful. When people did that, it made their friendships and families stronger. Solomon even wrote that the whole city they lived in was better when people used wise words.

Picture 4: Solomon Writing

Solomon wrote a lot about using wise words. He wrote that we should say kind things instead of making fun of others. He said we should tell the truth instead of lying. He said we should be trustworthy when people tell us things or we make promises. All of those are wise ways to use our words!

Series Title Slide: Camp Kid-O-Deo!

Great listening, Kid-Os! Our words make such a big difference, and Solomon knew that. You and I can choose to use wise words every day. I think that's what our Big Idea was about, too!

Big Idea Fire and Crackling Audio

That's our Big Idea sound! Let's say our Big Idea together. THE BIG IDEA. TO BE A FRIEND I CAN SAY GOOD AND KIND WORDS EVERY DAY.

Great job Kid-Os! Next we get to learn a memory verse.

Memory Verse

Memory Verse Jingle

(Auto-advance) Memory Verse: Hebrews 10:24- Let us consider how we can stir up one another to love. Let us help one another to do good works.

Our Memory Verses come from the Bible. This verse tells us to think about ways we can share love and do what's good.

Do This: Read the verse from the screen.

Our words are such a big part of loving each other. We can do good things for others by saying kind words about them and talking about reasons why they're amazing. Let's practice saying this verse together!

Do This: Practice the verse with the Kid-Os three times. You can start in your quiet/whisper voice and then get a little louder each time you practice.

Know This: The verse with actions goes like this: (Open your Bibles) Hebrews 10:24- (Point to head as if thinking) Let us consider (make a stirring motion) how we can stir up one another (cross arms across chest) to love. (Fold hands) Let us help one another (give thumbs-up) to do good works.

Super job practicing your Memory Verse, Kid-Os!
