Series at a Glance for Elevate (continued)

Lesson 1: September 11/12

One of the most famous stories of all time is a tale Jesus told about two siblings. This week, we'll hear that story and see that we were all made to follow Jesus together.

Lesson 2: September 18/19

How many different people are part of our lives? Some of them we see every day, some of them we might only see once, but every person has something in common- all of them were designed by God.

Lesson 3: September 25/26

Every one of us feels hurt sometimes. An unkind word, a friend who lies to us, or a bully who is mean to us, can all make us feel really hurt. This week, we'll talk about how we can respond when we feel hurt and see what Jesus himself did when people were unkind to Him.

Lesson 4: October 2/3

Sometimes, we might find that we have hurt others. Something we said or did may have been unkind or hurtful. When that happens, what can we do? There's a story Jesus told that shows us an amazing way to share love with others, especially others who have been hurt before.

Lesson 5: October 9/10

Every day, our words change the lives of our friends, our siblings, our parents, and anyone else we meet. This week, we'll see how our powerful words can make the world a better place.

Lesson 6: October 16/17

In every show or movie, someone is in the spotlight, center stage, but hundreds of people are backstage, doing hundreds of different jobs. This week, we'll see how we can make a difference, even when we're not in the spotlight.

Lesson 7: October 23/24

From the star of the show to the person making snacks, being humble is a choice every person can make. This week we'll see how a man named Naaman learned just that.

Lesson 8: October 30/31

Get ready for a party! This week, we'll have an exciting event, so don't miss it!

Do This: During the song, encourage kids to find a place to sit, and let them know it's time to get started.

Welcome everyone, let's get started! I'm so glad you're all here! Come on up and find a place to sit.

(Auto advance) Elevate Slide and Underscore

My name is _____, and I'm so excited to be here with all of you!

Elevate is an awesome place where we get to have fun and learn about God. It's also a place where we show respect. We respect the leaders in here by listening and following their instructions. We respect others by being kind and keeping our hands to ourselves. And we respect the room by being safe, and not damaging anything. Showing respect like that helps us all have an awesome time.

Series Title Slide: Cinematic and clear audio

We're in a series today called "Cinematic." The word "cinematic" means "like a movie," or like making a movie. A movie set is filled with people in all kinds of roles. Some are backstage, some are in the spotlight. Some people are directing, some are on a set for the first time. It's all those relationships that make the movie succeed or fail. In this series, we'll learn how we can have great relationships with others whether we are center-stage or behind the scenes.

Let's get started with a game called Race-Paper-Scissors.

Game Title Slide: Race-Paper-Scissors

We're setting up some paths on the floor, made out of tape. Your group is going to line up at one end of a path, with another group on the opposite side. One at a time, the first person in your group is going to go as far as they can on the path until they meet someone from the other group. You can only step on the marks, so you have to jump, not run. When you meet, you're going to play rock-paper-scissors, really fast. Just count one-two-three and on three pick rock, paper, or scissors. The one who loses has to get off the path right away and go to the back of their line. The other person can keep going down the path, but as soon as one person loses, the next person from your group should be ready to go from the starting line! The group that gets someone to the last step on the other team's end wins!

Do This: Make sure the group leaders know what to do and have the supplies to set up paths on the floor, each path 20 or more steps long. You could demonstrate this for the kids on-stage quickly, too.

Know This: An example of this game being played can be found here: <https://www.youtube.com/watch?v=3mUuvdKFFmk>

Know This: While you are talking, leaders should create a path by taping dots or x symbols onto the floor (if it is not already created). There should be one path for every two groups who will be playing the game, and it should go straight across the room.

Know This: If a group actually manages to win the game with time left, they may play again. Groups should be 10-15 kids if possible. If you can play this game as a large group, only dividing the kids into two teams, you may. If you need to combine groups or have groups compete only against others from their own group, you may do that as well.

You can go to your group's flag and meet your leaders there. I'll tell you when the first runners can start!

Do This: Allow kids to find their group's area and get lined up.

Ready, set, go!

Fun Game Music!

Do This: Allow them to play for 5 or so minutes, encouraging them and commenting from the stage.

Great job, everyone! That was fun. You can find a spot to sit!

Media: Part 3 (Application) (5:00)

(Auto advance) Worship Slide

When other people are unkind, or we feel like life is unfair, and even when we feel hurt, we can respond with kindness. That's what Jesus did. He didn't yell, throw things, or hurt others, instead He looked for ways He could be kind. Being kind like that is one way to truly make a big difference in our world.

Worship

8:00

Jesus is the one who shows us how to be kind. Jesus was made fun of, hurt, and rejected, and He knows what we're going through when we are hurting, too. Let's remember that as we sing these songs of worship. Worship reminds us about who God is and how much He loves us. Let's stand and sing about God together!

Song #1: Remind Me

Let's keep on singing and moving with another amazing song. We sang this for the first time last weekend, so let's keep on learning it together!
