

Week 1 | Sept. 11/12
We were made to follow Jesus.

Ask Some Questions

- What's something new you've learned this week?
- If someone asked you what "following Jesus" means, what would you say?

Try Something Fun

Make a map of your home! You could draw a map of the inside or the outside. Draw landmarks, give things fun names, and if you have time, you could hide a treasure, and mark on your map where it is. Make sure to include clues to help you find it again! Then, see if someone can follow the clues to find what you've hidden.
