

Kids Ministry Code Pink Policy

Purpose

Our desire is to keep kids as safe as possible, so we uphold the integrity of security and safety within all secured spaces by following the following “Code Pink” procedures if a kid cannot be located.

Code Pink Policy

Code Pink is the phrase and subsequent actions taken to recover a lost or missing kid. There are 3 possible occurrences of a Code Pink situation. When any of these situations arise follow the steps listed below;

1. **MID SERVICE OCCURRENCE.** This is usually triggered by a physical count that doesn't match the number on the sign in sheet.
 - a. Volunteer should recount number of kids in the room.
 - b. If kid is still lost, notify appropriate Volunteer Leader and Kids Staff. Volunteer Leaders and/or Kids Staff will initiate searches of other rooms to check for the missing kid. Instruct all room volunteers to do a very thorough search including bathrooms, cabinets, etc.
 - c. Continue to attempt to locate the kid. If the kid is still not located after 5 minutes of initial notice, page the grown-ups.
 - d. Kids Staff should meet the grown-up at the secured entrance to see if they have the kid. It is possible the kid was picked up early or never entered the classroom.
 - e. If the grown-ups do NOT have their kid, gather a detailed description and initiate Code Pink.
2. **PICK UP OCCURRENCE.** This is when grown-up arrive to pick up their kid, and the kid is missing.
 - a. Volunteers should do a very thorough search of the room, including bathrooms, cabinets, etc.
 - b. If the kid is still missing, notify appropriate Volunteer Leader and Kids Staff. Volunteer Leaders and/or Kids Staff will initiate searches of other rooms to check for the missing kid. Instruct all Room Volunteers to do a very thorough search including bathrooms, cabinets, etc.

3. **BEFORE OR AFTER PROGRAMMING.** This occurrence is when the grown-ups have not yet dropped their kid off in Kid's Ministry OR they have already picked up their kid. While under the grown-up's supervision, the kid is discovered to be lost.
