Verse 1:

Only your peace, can mend the broken hearted
In stillness you are near to me
Only your voice, heard clearly in the silence
You never have forgotten me

Chorus:

Take this heart and do what only you can Do what only you can
Light this dark, only with your goodness Only with your goodness
Father come, here's my life
Your will be done and do what only you can

Verse 2:

Only your love can take me as you find me
Reminding me of who I am
Only your grace says that I'm forgiven
In faithfulness you rescue me

Chorus:

Take this heart and do what only you can Do what only you can
Light this dark, only with your goodness Only with your goodness
Father come, here's my life
Your will be done and do what only you can

MI: 8 bars

Bridge:

In every hurt God, you are healing
At every end, you are beginning
In every failure, you alone
Can do what only you can
In every void, you are the fullness
In every fear, you are my courage
In my weakness, you are strong
Do what only you can

Chorus:

Take this heart and do what only you can Do what only you can
Light this dark, only with your goodness Only with your goodness
Father come, here's my life
Your will be done and do what only you can, do what only you can, do what only you can
