## Series at a Glance for Elevate (continued)

### **Lesson 1: February 27/28**

"Being a tax collector had a lot of perks. You were wealthy, you knew the right people, you got special privileges, but Matthew rarely felt included. In fact, people usually didn't want him around, until the day Jesus stopped at his booth. Jesus' simple invitation changed Matthew's life."

### **Lesson 2: March 6/7**

"Jesus knew who she was, what she had done. But it was clear that the first thing He saw wasn't her mistakes, her sin, or her punishment, it was how much she was loved. As she learned that day, that kind of love is life-changing."

### **Lesson 3: March 13/14**

"We just wanted to be alone, but when thousands of people showed up to meet us, Jesus didn't even hesitate. He started caring for them, talking to them, and helping them, even though He had to be exhausted Himself. It was then we understood the power of compassion."

### **Lesson 4: March 20/21**

"I thought Jesus would heal my legs, make me able to walk again, but I didn't know there was something I needed even more. Jesus healed my broken relationship with God and gave me the chance to live in a new way."

### **Lesson 5: March 27/28**

"Jesus has given each of us so much. We've learned, changed, and seen more than we ever imagined. He also gave us something we didn't even realize we were missing: a purpose. Wherever we go, whatever we do, now we are doing it in a new way, all because of Him."

### **Lesson 6: April 3/4**

"When I think of Jesus' love, there's one moment that is greater than any other. Jesus took the punishment for a crime He didn't commit. He gave Himself for every person and showed us love that would change the whole world."

### **Lesson 7: April 10/11**

"If Jesus has changed our lives, how can we not tell others about Him, too? Jesus gave His life for the whole world, and it's up to us to share that amazing news with everyone."

My name is \_\_\_\_\_, and I'm so excited to be here with all of you!

Elevate is an awesome place where we get to have fun and learn about God. It's also a place where we show respect. We respect the leaders in here by listening and following their instructions. We respect others by being kind and keeping our hands to ourselves. And we respect the room by being safe, and not damaging anything. Showing respect like that helps us all have an awesome time.

Series Title Slide: Epic and clear audio

This week, we're wrapping up our series called "Epic." In most stories, books, or movies, there's a moment where everything changes. Something unexpected happens, the hero defeats the villain, or something you thought wasn't important turns out to be the key to the whole thing. In this series, we'll be hearing how Jesus changed the story of our world, and how he can change our lives in some truly epic ways.

Today we'll hear a story about someone whose life completely changed when they met Jesus. First, though, we're going to play a game called "Alpha Challenge."

Game Title Slide: "Alpha Challenge."

In this game you're going to be with your groups. Your leader will choose a category like animals, food, or things you do for fun. Your group's challenge is to think of one of those things that starts with each letter of the alphabet! To do this, you'll sit in a circle, and if you chose animals, the first person will say an animal that starts with A. Then the person next to them has to say one that starts with B and so on. If you can't think of one in five seconds, your letter goes to the next person. See how quickly you can think of an animal, food, or fun activity for each letter of the alphabet.

Oh, by the way, I want to help you with one letter: there is such a thing as an X-ray fish, Xanthan gum starts with an X, and Xylophone playing is a fun activity. Let's get started!

**Do This:** Allow kids to go to their groups and play the game. Make sure all group leaders understand the game ahead of time. If they need to adapt the game for younger kids, they can take away the time limit, and have the whole group try to think of ideas together. If they need more of a challenge for older kids, they can have competitions to see who can get the most letters completed by themselves, then when they hesitate or miss one, the next one in the circle gets to start from where they stopped.

Fun Game Music!

Great job everyone! You can all go back to your spots and sit.

That was quite a challenge! Up next, we have our question of the day.

Question of the Day Video

*(Auto Advance)* QOTD Slide: If you gave a speech about something you love, what would you talk about?

If you gave a speech about something you love, what would you talk about? Turn to someone near you and tell them about it! Make sure to listen to their answer, too.

**Do This:** Allow kids to talk for about 30 seconds.

**Know This:** You could share a brief story about something you'd give a talk about.

## Wrap-Up

1:00

We're just about finished, but first, I want to show you this tool Josh and Beka were talking about.

**Do This:** Show kids the Sharing Jesus' Story tool.

Right now, the pictures on this card look dark. But if you hold your hand onto them, and warm them up, the dark ink disappears, and you can see the picture! These pictures can help you share Jesus' story with someone else, so give that a try this week!

I'm so glad you were here today, and I hope you all come back next week as we begin a brand-new series!
