GOD IS WITH YOU

God is bursting with love for each and every one of us. And if we let Him, God will work through us beyond anything we can ask or even imagine. The question is, how will we respond to a God who loves us that much?

Discussion Questions

1. What's the difference between knowing about God and knowing God personally? Do you consider God YOUR God? Or is he still just the God of your parents, spouse, or a friend?
2. How would you respond if you were asked about what you read in your Bible this morning? Or even last week or last month? For some of us, it's been a long time since we pursued an intimate relationship with God. How often are you actually spending time with God? What does that time look like?
3. What do you see God doing through your life? How can you step out in faith and be open to where God wants to take you?

Challenge

Make a commitment this week to spend time with God every day. If you need some direction, check out the Bible Reading Plan on our blog or app. There, you'll find daily devotionals and scripture readings to help guide your time with God. Just head to eaglebrookblog.com.

Commit to Memory

The Lord your God is with you, the Mighty Warrior who saves. He will take great delight in you; in his love he will no longer rebuke you, but will rejoice over you with singing. **Zephaniah 3:17**
