

I DON'T GET IT

July 29/30 What Happens After You Die Jason Strand

There's a lot of uncertainty about life after death. And all of our questions can lead to fear of dying and the after life. But here's the good news: We don't have to be afraid of it. Jesus broke the power of death and set us free from the fear of dying. And when we choose to follow Jesus, we can have assurance of going home to Him someday.

Discussion Questions

1. What do you envision will happen after you die? Is it something you're fearful of? Why or why not?
2. When did you first experience the sting of death in your own life? What thoughts and feelings surrounded that situation?
3. **Read 1 Corinthians 15:42-55.** What are you most excited about when you think of receiving a new body after death and how you'll be transformed?
4. Knowing that heaven is your true home, how does that affect how you prioritize the things in your life today?
