Question + Response

We are kicking off a new series called Full Send. In this series we will prepare ourselves for the Christmas season by asking the question, Why did God fully send Jesus to the earth? Sometimes, the Christmas story is just a cute reason to put up a tree and listen to nostalgic music. But in this series, we will be talking about the great need that God wanted to meet in all our hearts by sending Jesus. Tonight, we are talking about our need for God's love. Spend some time talking over these questions!

Who in your group has a pet that they love? Why do you love them?

Take a moment and try to define what love means and why we need it?

Read John 8:10-11 and ask yourself the question, "What if I was that woman? How would I feel if Jesus stood up for me?"

Has there been a time in your life when you remember feeling the love of God? What was that like?

Is there an area in your life where you need God's love?

How does God's love for you change how you care about other people?

Leader Insight

Hi Leaders!

In this series we are hoping to give students a "behind the scenes" look at why Jesus was sent to Earth for our salvation. Come alongside your students this week and help them understand the ways that God loves them. This is a great opportunity to share some stories in your own life of how God's love for you has developed you.

Application/Suggestion

Practice seeing and serving people at your school, homes, jobs this Christmas season.
