

# Small Group Discussion

The Week of:

Oct. 28, 2020

## What's your life like:

1. What's up with Trick-or-Treating this year? Is it happening? Are you going? Do you have a costume? If you could have ANY costume, what would it be?
2. What's your favorite candy. (HINT: Take note of this answer, and you can surprise them with it some time!)
3. What has been bugging you lately?

## What are we talking about this week:

This week we are continuing our series called DROP IT. This series is all about letting go of the things in our life that are holding us back from the type of life God wants us to live. This week's message is about dropping our PREJUDICE.

What is Prejudice? (Prejudice is a negative attitude or opinion about someone who we don't even know) What are some examples? How does it affect the way we treat people? Have you ever experienced prejudice?

Read John 1:46. What was it about Jesus that caused Nathaniel to have a prejudice against him? What are some things that can cause us to have a negative attitude or opinion of other people without even knowing them?

What are some ways you can get closer to people who are different from you? What are the benefits of doing that?

Read Romans 12:15. What is empathy? How does empathy break down our prejudice? How can we grow to be more empathetic? What difference could that make in your life and the lives of others?

## Now what:

Prayer is powerful! Pray and ask God to show you the negative attitudes and opinions you might have of other people. Ask Him to help you see people the way he sees them. Ask for opportunities to build relationships with people who are different from you. Be on the lookout for those opportunities this week!
