The Week of:

Nov. 3, 2020

What's your life like:

1. What beverage goes best with chocolate chip cookies?
2. Share a high and a low from last week.
3. How are you feeling about the election?

What are we talking about this week:

This week we are kicking off a new series called **Different Together**. God made us different on purpose, but sometimes our differences make it hard to get along. This week's message is about how to treat people we disagree with.

What are some things people have different opinions about? When two people disagree, how do they usually treat each other? How have you seen this play out?

Read **Genesis 1:27**. What does it mean that God created us in his image? How does this truth impact the way we should treat other people, especially those we disagree with?

Read **John 13:34-35**. Jesus says to love one another. What's at stake if we don't?

Read **1 Corinthians 13:4-7**. How can we "look like love" to people that we disagree with?

Now what:

What is one characteristic of love that you can work on living out this week?

Take some time to pray for each other, our church, and our country as you close up your time together!
