## What's your life like?

Show and tell! Grab one item that means a lot to you, and tell the group why!

Describe your last week using three words.

## What are we talking about this week?

This week we are kicking off a new series called *Fundamentals*. Getting the fundamentals down sets you up to do something well—like playing a sport, starting a vlog, or cooking a meal. The same is true when it comes to your faith. In this series, we'll seek answers to four fundamental questions to help you build a strong base for your faith. This week's question is, "Why should I read the Bible?"

1. What stood out to you from this week's message?
2. What are some things that you know or believe about the Bible?
3. Why is the Bible such an important book to Christians?
4. What gets in the way of us spending time reading the Bible?

Read 2 Timothy 3:16-17.

1. What do these verses teach us about the Bible?
2. If we are looking for true answers, how can we use the Bible to find them?
3. Do you think if you started to read the Bible more it would make a difference in your life? Why or why not?

## Now what?

Take the 15-minute challenge! Spend 15 minutes reading the Bible every day this week. If you want, you can do this together as a small group to help keep each other on track!
