The Week of: **Feb. 3, 2021**

What's your life like?

- If you had to pick a cereal that best represents you, what would it be and why? (hint* students may have to think on this a bit, so to give them time. Be ready to share your pick as an example. Have fun and get creative!)
- If you could change one thing about last week, what would it be?

What are we talking about this week?

Even if you try to avoid them, some issues in middle school just show up. Peer pressure, romance, doubt—we're tackling them all in series. Because if you aren't dealing with these yet, they're definitely on approach! This week we'll talk about how to approach peer pressure.

1. What stood out to you from this week's message?
2. What comes to your mind when you hear the phrase "peer pressure"?
3. Is peer pressure always a bad thing?
4. What are some examples of peer pressure that you or people you know have run into?

Read Romans 12:2.

5. What does it mean to "copy the behavior or customs of this world" (NLT)?
6. How does peer pressure relate to what we think about?
7. How can this verse help us overcome negative peer pressure?

Now what?

Write out Romans 12:2 on a post-it note or note card and put it somewhere you will see it and memorize the verse this week!
