The Week of:

March 2, 2022

What's your life like:

1. Would you rather: live somewhere where it is always below zero with endless money, or somewhere perfectly warm but be poor?
2. What are your plans for spring break?

What are we talking about this week:

Bible Verse:

- 1 Timothy 1:5, Psalm 51:1-2, 10, Luke 6:45

Main Point:

- God can give us a pure heart and we can keep it pure by filtering out the bad and filling with the good.

Discussion Questions:

1. Why do you think the Bible talks so much about our heart?
2. What does it mean to have a pure heart? How do we get a pure heart?
3. What are two ways that we can keep our hearts pure?
4. What does a filter do? What does it mean to filter the bad stuff out of our heart?
5. What are some things we allow into our heart that negatively impact our life?
6. What are some things we can fill ourselves with to positively impact our lives?

Now what:

What's one way you will filter out the bad this week?
What's one way you will fill your heart with the good this week?
