May 4, 2022

What's your life like:

1. What are you excited to do this summer?
2. Would you rather: live somewhere where the temperature is always below zero or always over 100 degrees?
3. Share a high and a low from last week.

What are we talking about this week:

Bible Verse:

Discussion Questions:

1. What is companion planting? How does that relate to our spiritual life?
2. Why do you think we grow better together than on our own?
3. How has being part of Ground Zero and a small group helped you grow?
4. What were some of the things that helped the believers in the early church grow?
5. What were the four ways we can grow over the summer?
6. How can we stay connected as a group and grow together this summer?
