Play Your Position

Key Verse

1 Corinthians 12:7

Key Theme

You are gifted! Use your gifts to help others.

Start Here

Tonight was a YES Message where students were invited to follow Jesus! Ask if anyone wants to share about a decision they made tonight. Celebrate with and pray for and students that made a decision!

To get us thinking and talking, ask this question: If you could be really-super good at anything, what would you choose to be good at?

Question + Response

The big idea tonight is this: “You are gifted.” Do you agree with that statement?
What is the definition of a spiritual gift? (A supernatural talent or ability that God gives to every believer)
What’s the difference between a natural and a supernatural talent or ability?
How do we begin to discover what our spiritual gifts might be?
What are some ways we can help others with our spiritual gifts?
Did anything else stand out to you from Marks message that we haven’t talked about?

Leader Insight

Tonight we are helping students understand that they have an important position to play on Team GZ and on God’s team. When we choose to follow Jesus, God gives us unique gifts meant to be used to help others follow Jesus too. The goal is to help students see that they are gifted, that their contribution matters, and that we need them on the team!

Application/Suggestion

How can you use your gifts to help someone this week?
