Happy New Year! Spend some time catching up after break and talk about this question: What is one thing you want to do in the year 2020?

What are the 5 actions that make up the momentum wheel? (Follow Jesus, Spend Time with God, Live Generously, Serve Others, Connect in Community) Give some examples of each.
Which of these are you currently doing? How?
What do you think it means to follow Jesus?
Have you ever thought about it as a “lifelong adventure”? How could this shift in thinking change our experience as Christians?
What are some things we should leave behind in order to follow Jesus?

Now that we are kicking off 2020, there are 18 Wednesday nights left with your small group. That may feel like a lot or a little, but That Big Party (our final Wednesday of the year) will be here before you know it! Make the most of every week. Focus on relationships. Love your students well. Make every night count!

What will you “drop” this week in order to better follow Jesus?
