

HERO TRAINING

Group Time Guide

Supplies Needed: Flat painting stones, paint pens.

1. Time to Talk

Look Up and Read: Psalm 77:10-14. These verses are about remembering the amazing things God has done.

- Have you heard about any of the things God has done in the Bible? (Sending Jesus, healing people, teaching us how to live, parting the Red Sea.)
- What are some of the good things God might do today? (Could talk about how God helps people who are hurting, shows us how to forgive, heals friendships and relationships, and still shares His love with us every day.)
- What are some ways you think we could remember what God has done for us?

Ask: What are you really excited about right now, going into the summer? What is something that is difficult right now?

Do This: Pray with the kids, mentioning things that came up in your discussion if appropriate.

2. Activity

Do This: Allow kids to paint their rocks. Encourage them to talk about things they want to remember from this past year, and things that they've learned about God.

The Point: God knows every one of us, and loves us. Taking time to remember that can change the way we see our world!
