

- 1. How long have you been working with your care receiver?**
  
  
  
  
  
  
  
  
- 2. How often do you meet face-to-face with him/her?**
  
  
  
  
  
  
  
  
- 3. Has the frequency or length of your meetings changed since your last in-depth report?**
  - a. If so, describe the change and the reason for the change:**
  
  
  
  
  
  
  
  
- 4. What is your understanding of your care receiver's current spiritual need(s), concern(s) or challenge(s)?**
  
  
  
  
  
  
  
  
- 5. What Christian process-oriented ministry goals do you have for the caring relationship?**
  
  
  
  
  
  
  
  
- 6. What are you doing to carry out these Christian ministry goals?**
  
  
  
  
  
  
  
  
- 7. What tools (i.e. Bible, prayer, other resources) are you using to carry out these goals?**
  - a. How has your care receiver responded to your use of these tools?**
  
  
  
  
  
  
  
  
  - b. How might your supervision group assist you in using the tool more effectively?**

8. Are there other tools that you think may be helpful? If so, explain:
  
  
  
  
  
  
  
  
  
  
9. Do you believe your care receiver is growing in their faith, trust and obedience to God as a result of your caring relationship?
  - a. If so, explain the growth:
  
  
  
  
  
  
  
  - b. If not, what might be the reasons for the lack of growth?
  
  
  
  
  
  
  
  
  
  
10. Are you growing in faith, trust and obedience to God through your caring relationship?
  - a. If so, explain the growth:
  
  
  
  
  
  
  
  - b. If not, what might be the reasons for the lack of growth?
  
  
  
  
  
  
  
  
  
  
11. Are there any focus questions/sets that your supervision group use to discuss your caring relationship?
  - a. If so, reference the questions or sets:
