

ADVENTURE AWAITS

Week 1 | I can obey God.

Talk About It

- **What did God tell Noah to do?** (Build a big boat, called an ark.)
- **What did Noah do?** (Obeyed God.)
- **Why do you think obeying God is important?** (God knows what's best for us, God loves us.)

Try This at Home

Create a Treasure Hunt for your child. Come up with a set of clues, each clue leading to the next. Have the final clue lead your child to a "treasure" (ex. stickers, popsicles, fruit snacks, a small prize, etc.)

The Point

Just like it was important to obey the clues if you wanted to find the treasure, it is important to obey God. God loves us so much and he shows us the best way to live.
