

ADVENTURE AWAITS

Week 7 | I can always trust God.

Talk About It

- **Who trusted God in our Bible Adventure today?** (Gideon)
- **What does it mean to “trust”?** (To believe that what someone says is true.)

Try This at Home

Plan something fun for your child, like a special movie night, a trip to the zoo, or something else! Say: “We’re going to do something fun today, but I’m not going to tell you what it is yet. You need to trust me and believe that what I’m telling you is true.” Then do the fun thing together!

The Point

We can always trust and believe God, because his words are always true.
