**Week 2 | I can love others.**

## **Talk About It**

- **What did the Good Samaritan do in our Bible Adventure story?** (He helped the man who was hurt.)
- **What are some ways we can love other people?** (Do something nice, share, help them, listen to them, etc.)

## **Try This at Home**

**Brainstorm a list of things you could do to show love to someone. Write each idea on a popsicle stick or a piece of paper and put it in a jar. Pick one idea to try each week! (Ex. Bring someone a meal, draw a picture for someone, video call grandparents, etc.)**

## **The Point**

**Jesus told us to love other people the same way we love ourselves. We can be good friends and family members by loving others!**
