Week 3 | I can forgive.

Talk About It

- **What did Jacob do to make Esau mad in the Bible Adventure?** (He took Esau's blessing.)
- **What does it mean to forgive?** (To stop being angry at someone.)
- **How do you feel when someone forgives you?**

Try This at Home

Practice apologizing and forgiving this week. Look for natural opportunities to practice with siblings or adults in the family. Remember to be patient and to model by example — this is something your child is learning and it takes a lot of practice!

The Point

It isn't always easy to say sorry or to forgive someone, but those things can make our relationships strong. God forgives us and we can forgive others.
