

LET'S GROW

Group Time Guide

Supplies Needed: Yancy CD, Instruments

1. Introductions

Circle Up: As you come into the room, give each Kid-O hand sanitizer and have them sit in a circle. Encourage each Kid-O to say their name as you pass out a snack to everyone who can have one.

2. Discussion Questions

- What did Paul and Silas do to worship God while they were in jail? (They were singing and praying.)
- What does it mean to worship God? (You are telling God how amazing he is. You can do that by singing, talking to God, thinking about all that God has done, etc.)

Repeatable Phrases: "God is good!" "I can worship God!"

3. Hands-On Option

Say This: We are going to worship God together right now. I'm going to give you an instrument and play a song about Jesus. Then we're going to sing, dance, and play our instruments together.

Do This: Pass out an instrument to each Kid-O. Then play an upbeat Yancy song on your CD player in the room. Allow kids to move around the room as they sing, dance, and play their instruments.

The Point: One of the ways we can spend time with God is by worshipping him. When we do that, we're thinking about all that God has done and how wonderful he is.

4. Big Idea, Memory Verse, and Prayer

Do This: Practice the Big Idea and Memory Verse with the kids.

Memory Verse: Colossians 1:10 – "We pray that you will grow to know God better."

Big Idea: I can grow by worshipping God.

Do This: Encourage them to talk about what they learned with their grown-ups.

Do This: Pray! "Dear God, we love you. Thank you for loving us. Thank you for all you've done for us. Help us remember to worship you. Amen."
