Lesson 2: April 30/May 1

Spending time with God by praying is an important way we can grow closer to God. Daniel was a man who took time to pray every single day. When Daniel had a hard choice to make, he knew God was with him and would help him.

Lesson 3: May 7/8

God helps us grow closer to him through reading his words in the Bible. This week, we'll hear the story of Joshua as he was getting ready to lead God's people into the promised land. One of the important things God asked Joshua to do was keep reading the Bible.

Lesson 4: May 14/15

Serving can help us grow to be more like Jesus. We can serve in so many different ways! This week, we'll hear a story about how people in the church served others.

Lesson 5: May 21/22

We can grow closer to God by spending time worshipping him. This week, we'll hear the story of Paul and Silas and learn that we can worship God no matter what.

Lesson 6: May 28/29

Saul was hurting others and being unkind, but everything changed when he decided to follow Jesus. Saul grew into a person who loved and served others. He started telling everyone about how they could follow Jesus, too!

Lesson 7: June 4/5

One of the ways God helps us grow is by spending time with people who follow Jesus. The people in the first church spent a lot of time together learning about God, eating, sharing what they had, and encouraging each other. We can be part of a church community, too!

Introduction and Rules

2:00

Welcome everyone! My name is _____, and I'm super excited to see each and every one of you! During our time together, we'll get to sing a couple fun songs, learn a memory verse, and hear an awesome story. Before we do any of that, there are three important things for you to remember.

Know This: This is a great opportunity to set the tone and expectations for your time together. Kids like to know what's expected of them too—it helps them feel safe and secure. You can make this section informative, helpful, and fun all at the same time!

Rule #1: When I'm talking you are listening!

Let's put on our listening ears and turn them way up! On the count of three, let's practice our very best listening. Ready? 1, 2, 3!

Rule #2: Keep your hands and feet to yourself!

Let's hold up our hands and wiggle our fingers! Now, give a little clap and put your hands in your lap!

Rule #3: Stay in your spot!

You have a spot of your very own here in Kid-O-Deo, and it's right where you are sitting! It's important for us to stay in our spots, so that everyone can pay attention and have fun!

Great job listening to our rules. The rules are really great because they can help us learn and have lots of fun while we're here.

Worship

Big Idea

2:00

I love singing with you, Kid-Os! You can sit down. We're in a series called "Let's Grow!" There are lots of different ways you can grow. You can grow taller, grow wiser, and grow by learning new things. In this series, we're talking about ways we can grow to know God better.

At our church, we talk about five important ways to grow closer to God. We call them our five values. Can you hold up five fingers and say, "five values?" The value we're learning about today is "Spend time with God." One of the ways we can spend time with God is by learning more about him.

To get started, we're going to practice our "Big Idea." That's the super important thing we're learning about today!

Big Idea Jingle

(Auto advance) Big Idea Slide: I grow by learning about God.

The Big Idea is, “I can grow by learning about God.” Some ways we can do that are by reading our Bible and coming to church. Let’s stand up and practice the big idea. I’ll say a part first and you can repeat after me. I can grow, I CAN GROW. By learning, BY LEARNING. About God. ABOUT GOD. Great job! Alright, now let’s say it all together!

Do This: Show Kid-Os the actions and have them practice the Big Idea with you three times. Use a different voice each time. **Voice ideas for this week: Clucking chicken, wiggly worm, jumping kangaroo**

Know This: These are the Big Idea actions: (Place your hands in front of your face, palms out, then move them down in a rainbow motion) The Big Idea. (Point at self with thumbs) I can grow (point to head) by learning (point up) about God.

Awesome job practicing our Big Idea! You can all sit down.

That Big Idea is so important, we’re going to say it several times today. Whenever you see this flower and hear this sound, it’s time to say our big idea!

Big Idea Flower and Sound

You can say the Big Idea and still do the actions while sitting in your spot. Let’s practice right now!

Big Idea Flower and Sound

Let’s say the Big Idea together. THE BIG IDEA. I CAN GROW BY LEARNING ABOUT GOD. Great job, Kid-Os!

Series Title Slide: Let’s Grow!

Now, we get to plant a seed and watch it grow throughout our time together! Can you pretend to take out a tiny seed? Now let’s dig a hole in the dirt and plant our seed. Great job! I can’t wait to see what it becomes!

Do This: Pick up the small seed and plant it in the pot. Have kids pretend to plant their own seed with you by pretending to dig a hole and put the seed in the dirt.

Bible Adventure

5:00

Next, we get to learn more by going on a Bible Adventure.

Bible Adventure Jingle

Do This: Show kids the Bible.

The Bible is the greatest book ever. It's full of words from God, and there are lots of true stories that can help us grow to know God better. Today, we get to read a story about someone who spent time with God by reading his words in the Bible.

Do This: Get the Bible storybook out and sit down in the chair.

This story you are going to hear comes from the Bible, but we use this storybook because the pictures help us imagine what it might have looked like back when the Bible was written. The pictures you see in here are the same as the ones on the screen. Let's get started!

Do This: Have kids help you "turn" the pages on the screen with an exaggerated arm wave.

Picture 1: Moses leading God's people out of Egypt.

Moses had led God's people out of a land called Egypt. God had promised to bring his people to a new land that would be better than they could imagine. But instead of getting there right away, God's people had been wandering around in the desert for forty years.

Picture 2: Moses appointing Joshua as the leader.

Moses knew it was time to choose a new leader, and God had told him to choose Joshua. Joshua was a man who trusted God and followed him. Moses said, "It's time for you to go into the land God has promised. Joshua will lead the way! Don't be afraid because God will be with you."

Picture 3: Joshua reading the Bible.

Leading God's people was a big job, and Joshua might have felt afraid. But God told Joshua, "I will be with you. Be strong and brave as you lead the people. Make sure to keep reading the Bible. Think about what the Bible says and do everything it tells you to do."

Picture 4: Joshua leading God's people into a good land.

Joshua listened to God and followed his directions. It wasn't easy, but Joshua led God's people into the land God had promised them. He helped divide the land up so everyone had a spot to live. Reading and thinking about God's words in the Bible helped Joshua to be strong and brave.

Series Title Slide: Let's Grow!

Great listening, Kid-Os! That's an incredible story. Joshua spent time with God by reading his words in the Bible. Reading the Bible is a way we can learn more about God.

Big Idea Flower and Sound

Oh, that's our Big Idea sound! Let's say our Big Idea together. **THE BIG IDEA. I CAN GROW BY LEARNING ABOUT GOD.**

Great job Kid-Os! Now, it's time to water our seed. Can you pretend to take out a watering can? Now, let's pour some water on our seed!

Do This: Pick up watering can and pour water on the dirt in the pot. Have the kids pretend to do this with you.

Great! Now, let's watch our seed grow!

Right now, let's put our hands in our laps and close our eyes to help us focus on what we're saying to God. If you want to, you can repeat this prayer after me.

Dear God, we love you. Thank you for loving us. Help us to keep learning more about you. Amen.

Kid-O-Deo Slide
