Series Title Slide: Quest for a King and clear audio

We're in a series called "Quest for a King." A long time ago, people were waiting for God to send someone to save them and help them. God sent that person, the greatest king of all, and in this series we get to see how all of that happened, right from the beginning.

Right now, let's get moving with a game called "Story Makers."

Game Title Slide: "Story Makers"

Your group leaders have some cards with words on them. Your group's goal is to make up a story that connects all of those words together! Go ahead and meet them by your group's flag!

Do This: Give kids time to get into their groups.

Know This: Group leaders should begin the story by drawing a card and asking the kids what they think the story should be about. After a couple sentences, they should draw another card, which then must be added into the story. They should have fun with this and enjoy laughing at the random story with the kids! Leaders of younger groups may want to lead the kids each time they draw a card, asking questions like “What did they do next?” “Where are they?” or “What happened to them?”

Fun background music!

It’s so fun to listen to all your stories! Let’s come back to the middle and get ready to get moving with a challenge!

(Auto advance) Series Title Slide: Quest for a King

Do This: Make sure each kid finds their group. Help group leaders if there is a need. Encourage kids as they work to answer the question.

Know This: This is a time for kids to search for answers in the Bible and see how they can use the Bible to investigate and better understand life. This time is designed for kids to interact and deepen their understanding. They won't get all the answers but allow them to question and discover as much as possible. Be ready to support group leaders in any way needed.

Do This: Give the groups a warning about one minute before this time is up.

Media: Part 2

9:00

You can come back to the middle and find a spot to sit. You've had the chance to think about what the Source team should do. We'll find out what happens to them in a minute, but first Rue has a story for us about some of the first people who ever lived.

The Source: Part 2 (9:00)

(Auto advance) Series Title Slide: Quest for a King

It's amazing that even when we do things we know are wrong, God still loves us, cares about us, and helps us.

Application

5:00

Here's what I want you to remember today.

I can believe God has a plan, even when I've gone off course.

I can believe God has a plan, even when I've gone off course. Nothing in the whole world can stop God's amazing plan. Even when Adam and Eve did things they knew were wrong, God already planned to send his son Jesus to earth to show how much He loves us. What does that mean for us today? Well, God has a plan for you, no matter what you've done, or what's going on in your life. I'll show you an example.

GPS System Image

This is a GPS. Do you know what GPS stands for?

Do This: Allow a kid to answer.

GPS stands for Global Positioning System. This helps you find places, no matter where you are in the world. It will give you instructions like "Turn right," "Go forward 10 miles," or "Turn around."

I have another picture here, a map with two points on it.

Neighborhood Map- with route planned

So imagine, our GPS is leading us from the starting point to the end point. The first instruction is, turn right. Instead of doing that, though, we miss our turn.

Neighborhood Map- Alternate route superimposed

Then, we try to turn left, then turn left again, then wander around this guy's courtyard, then keep going. Now, we're in a completely different place, but I remember my GPS told me to turn right. Do you think I should do that? No! I wouldn't get to the right place. My GPS would be giving me a different set of directions, because I'm starting from a different place.

All of us are in different places on our journey with God. Some of us might have already decided to follow God, some of you might just be hearing about this for the first time

now. That's ok! What I want you to know is that wherever you are, whatever is happening, God has a plan for you, and loves you. Adam and Eve disobeying Him didn't ruin God's plan. None of us can ruin God's plans for us, either. We might make wrong turns, we might make bad choices, but God will always be with us. He'll help us, no matter where we are starting from.

Admitting it when we do something wrong is tough but can be so good. You can do that this week! Remember, even when things don't go like we plan, God still loves you, and has a great plan for you.
