

The Week of: Oct. 7, 2020

What's your life like:

- Go around the group and take a few minutes to talk about the latest hack that is making life a little easier.
- This is a good opportunity to hear about what students are learning and where they're learning it (Instagram, TikTok, Snapchat, etc.).

What are we talking about this week:

Bible Verse

- Matthew 6:1-6

Main Point of the Message

- Conversations with God can begin when we let go of what we think we are supposed to be or what we think God is supposedly like and start spending time with him.

Discussion Questions

- When was the last time you totally messed up your words in a conversation? What happened?
- Have you ever had a life-changing conversation? Who was it with? How did it affect you?
- How do you think God speaks to people?
- Have you ever heard God speak?
- Do you have any preconceived ideas about God? What are they?
- What would you like to hear God say to you?

Now what:

Time with God

Spend 15 minutes of your day with God. No phones. No computers. No distractions. Just you and God. Maybe it's right when you wake up or just before bed. Maybe it's in the middle of your day, on a walk outside, or in the car on your way to school. Find the time. Be yourself, and be willing to go to God as a Father.
