Jan. 27, 2021

What's your life like?

2 Good, 1 Not So Good

- Go around the group and ask them to talk about two good things and one not so good thing that have happened in their lives this week.
- **HOT TIP:** This is a good opportunity to find things to pray about in your students' lives.

What are we talking about this week?

Bible Verse

Matthew 7:24-27

Main Point of the Message

What foundation are you building your life on?

Discussion Questions

- What's one thing you're practicing right now? How's it going?
- Have you ever practiced for something, but it turned out to be wrong? What happened?
- Have you ever thought about putting Jesus' teachings into practice?
- What are some qualities you want to put into practice? Why?
- What is the biggest challenge you are facing right now?
- Why is the easy way so tempting?
- How do you think following Jesus can help you stand through your challenges?
- Have you made a choice to follow Jesus?

Now what?

Practice Permanence

As an experiment this week, try to identify a couple of habits that you do without thinking and ask yourself who you would be if that habit became permanent. Would you be more like Jesus? Would you be better off or worse off?
