### Main Point of the Message

We're all looking for love, but in that process, don't lose yourself and learn from loneliness.

### Discussion Questions

- When is it okay to tell someone you love them in a dating relationship?
- Is there anything that freaks you out about love?
- Have you ever lost friends to new relationships?
- Do you think it's tempting to lose yourself in order to find love? Why or why not?
- Can you find love at first sight?
- How would you define loneliness?
- How would you explain God's love?
- Does God's love help you in a dating relationship? If so, how?

## Now what?

### Meditate on Motive

Whether you're dating someone or wanting to date someone, take some time to consider if that dating relationship would please God and make you more Holy. Then write down what comes to mind.
