

The Week of: **Feb. 24, 2021**

What's your life like?

Highs and Lows (Relationship Edition!)

- Go around the group and take a few minutes to talk about the best part of the last week. Then spend some time talking about what was tough about last week.
- This is a great chance to go deeper with your group. Don't rush this time. This conversation could lead to a breakthrough!

What are we talking about this week?

Bible Verse

John 20:24-29

Main Point of the Message

Doubt can lead to deeper faith when we learn to doubt our doubts and talk with God.

Discussion Questions

- When was the last time your friend told you something that you couldn't believe?
- When was the last time you had real doubts? What did you do about them?
- Have you ever had doubts about God? What were they, and where did they come from?
- Do you struggle to talk about your doubts? Why or why not?
- Do you feel like doubt is easier to trust than faith? Why or why not?
- Have you ever experienced doubt with God but chose to trust him anyway?
- What doubts are you currently facing right now that you need help with?

Now what?

Doubt Your Doubts

Identify some doubts you have with God and spend time writing them down, questioning them, and talking about them with godly friends and to God in prayer. Don't forget that doubt does not have to cancel faith. Doubt your doubts.
