

The Week of:

March 17, 2021

What's your life like?

Year in Review

- Many of our groups are starting to meet in-person for the first time in a year. Take some time (maybe the whole time) catching up on the last year.
- Topics to talk about: Quarantine life hacks, what got canceled, best movie of the last year, best video game of the last year, funniest Zoom class story, something you learned from TikTok.
- Don't rush this time. Make sure new students feel welcomed. Just spend time together!

What are we talking about this week?

Bible Verse

Matthew 4:17

Main Point of the Message

Heaven is more than a destination after we die. Heaven has come to us in Jesus.

Discussion Questions

- What do you think about when you think about Heaven?
- Have you ever thought much about Heaven? Why or why not?
- What did you think about the idea of Heaven overlapping with Earth?
- What questions popped into your mind about Heaven and Earth during the message?
- If choosing God brings more Heaven into our lives, what do you think it means to choose our ways over God's ways?
- What was your biggest takeaway from the message?

Now what?

Get to Know God

If Heaven is just as much about getting to know God as it is about getting in, then this week, take some time to get to know God. You can do this by starting your days with prayer and reading scripture, loving your enemies (people you disagree with), putting others before yourself, practicing gratitude. These are all ways to bring Heaven to Earth.
