

The Week of: April 14, 2021

What's your life like?

Highs and Lows

- Go around the group and take a few minutes to talk about the best part of the last week. Then spend some time talking about what was tough about last week.
- This is a great chance to go deeper with your group. Don't rush this time. This conversation could lead to a breakthrough!

What are we talking about this week?

Bible Verse

1 Peter 3:15

Main Point of the Message

Talking to your friends about Jesus comes down to looking for opportunities to talk about God's love for other people.

Discussion Questions

- When was the last time you had news that you just HAD to tell someone?
- Have you ever shared your faith with someone? What was it like? How did it go?
- Are you nervous about sharing your faith? What holds you back?
- Do you think talking about Jesus with your friends is a good way to show them that you love them? Why or why not?
- Are there people in your life right now that you want to talk to about Jesus?
- Do you think talking about Jesus with your friends strengthens your faith? Why or why not?

Now what?

Look for Opportunities

This week, in your everyday life, be open to opportunities to talk about Jesus with your friends. Pray, and ask God to show you when opportunities come your way. Maybe a great start is inviting one friend to come with you to church next week. Be on the lookout for who God might send your way.
