

The Week of:

Nov. 3, 2021

What's your life like?

Highs and Lows

- Go around the group and have everyone talk about the best thing about the past week and the hardest thing about the last week.

What are we talking about this week?

Bible Verse

Colossians 3:23

Main Point of the Message

God purposes you to do things long before you recognize it.

Discussion Questions

- Do you have any hidden talents? If so, what are they?
- How would you have defined the term "calling" before tonight?
- What do you love?
- What are some things that come naturally to you?
- Do you think it's true that people want an easy way more than a meaningful way? Why or why not?
- Do you feel like there is something that God is calling you to do? If so, what is it?

Now what?

Live like you've been called.

This week take time and write out some answers to the three questions in tonight's message:

- What do you love?
- What are you good at?
- What does the world need?

Then pray and ask God to give you an idea about what you're calling might be.
