Question + Response

Right now, many of us don't know what to do. Now that we don't have sports to play, a school routine, friends to see, or church to go to we might feel lost. And when we don't know what to do we can be tempted to do nothing at all. We will waste our time, but life doesn't have to stop when we don't know what to do. When we live our life with God, He can teach us how to act when it feels impossible. Spend some time talking about ways we can act to keep life moving forward.

Have you ever gotten really lost? What did you do?
What do you do when you're bored?
What is bringing you joy right now? Why?
What or who do you need to pray for right now?
What are you thankful for? Why?

Application/Suggestion

Try to give your students something to do with their time. Give them weekly goals and then check in on them during the week.
