### **QUESTION + RESPONSE**

We all have a list of future things we just can't wait for – to graduate, get our driver's license, a job that actually pays good money. And that's great. But if we're always waiting for future things we might miss out on what God has for us TODAY. And in order to experience the life God has for us there are some things we just CAN'T wait for. We must ACT NOW. That is what this series is all about.

1. What do you think makes someone significant?
2. Mark tried to find significance by having certain bball shoes...Where do you try to find significance? Have you ever found it? How or in what ways? Did it last?

Read Matthew 6:26

3. How could knowing God loves us and cares for us bring significance into our lives?
4. If you truly believed you were significant right now just the way you are, what would you stop doing? How about start doing?

Read Matthew 6:33

5. What does it mean to "Seek the kingdom of God above all else"?
6. What are some things you are seeking above God? How can you re-order those things in your life?
7. How could we experience more significance through seeking God?
8. What are some ways we could seek God this week?

### **LEADER INSIGHT**

Hey Leaders!

The goal of this message is to help students see that significance isn't something they have to wait for or go looking for because they are significant RIGHT NOW just as they are. God loves them and cares for them and the way to fully experience significance in life is by seeking Him instead of other things we think will bring significance to us. Thank you for investing in students and helping them see themselves as God sees them!

### **APPLICATION/SUGGESTION**

What do you need to change up to start to see and experience the significance you already have?
