Group Time Guide

Supplies Needed: Elevate Video in ProPresenter

1. Introduction

Say This: Today for group time we're going to do something a little different. This week is very special, because it is your last time here at Kid-O-Deo. If you are a kindergartener, next week when you come to church you will go to a new space called Elevate.

2. Show Elevate Video

Say This: Right now, we're going to watch a video that shows you what Elevate is like. After we watch the video, there will be some time to ask questions.

Do This: Play the Elevate Video.

3. Discussion

Say This: Elevate is a super fun place where you get to have fun and learn about God, just like in Kid-O-Deo. Some things are a little bit different, though, and you might have some questions. Raise your hand if you have a question about Elevate.

Know This: Keep an eye on the time and only take questions if you have time for them.

4. Prayer

Do This: Pray for the kindergarteners who will be moving up to Elevate next weekend. "Dear God, we love you. Thank you for loving us. Thank you for these amazing kindergarteners. I pray for them as they move up to Elevate next weekend. Help them remember how much you love them and that you are always with them. Amen."

Do This: Go back to the 5 and 6 year old room for free time until the grown-ups come to pick them up.
