Even when I'm faithless  
You're faithful  
Even when I'm helpless  
You're able  
Even when I don't believe my eyes  
Even when I'm pulled into the lies

You're steady  
Steady  
You're steady  
Always steady

Even when I'm anxious  
You're stable  
When I lose my patience  
You're graceful  
When I am surrounded on every side  
When all I want to do is run and hide

You're steady  
Steady  
You're steady  
Always steady

Even in the valley  
You're where my hope comes from  
Walking close beside me  
The ever present One  
You plant the hope and promise  
That the best is yet to come  
How gently You remind me  
That Your work is never done

You're steady

Steady  
You're steady  
Jesus steady
