

SAFARI ADVENTURE

Group Time Guide

Supplies Needed: Animal cards

1. Introductions and Snack

Circle Up: Have each Kid-O give you a high five, and then sit down in a circle. Encourage each Kid-O to say their name as you give them hand sanitizer.

Do This: Give kids hand sanitizer, then hand each of them a snack.

2. Discussion Questions

- What are some of the things God made? (Plants, animals, stars, everything else!)
- What is your favorite animal?

Repeatable Phrases: “God made the whole world.” And “God loves me!”

3. Hands-On Option

Do This: Show kids the animal cards one-by-one and encourage them to act like whatever animal they see! If the kids are able, you could have one of them stand by you, so they can't see the card, and just try to guess what animal the other kids are acting like.

The Point: God made so many different kinds of plants and animals, He is super amazing! Whenever we look at our world, we can remember how awesome and creative God is.

4. Big Idea, Memory Verse, Stickers, and Prayer

Do This: Practice the Big Idea and Memory Verse with the kids, as time allows. You could use different voices, or simply have them repeat after you.

Do This: Give each kid a sticker. Encourage them to talk about what they learned with their grown-ups.

Do This: Pray! “Dear God, we love you. Thank you for loving us. Thank you for creating this amazing world. Amen.”
