

SAFARI ADVENTURE

Group Time Guide

Supplies Needed: Block of play-doh, plate.

1. Introductions and Snack

Circle Up: Have each Kid-O give you a high five, and then sit down. Try to get them each sitting in a circle. Encourage each Kid-O to say their name.

Do This: Give kids hand sanitizer, then hand each of them a snack.

2. Discussion Questions

- Who wrote the song we read in our Bible Adventure? (David)
- What did David write about God? (That He knows everything about us)

Repeatable Phrases: “God cares about me.” And “I can talk to God anytime.”

3. Hands-On Option

Do This: Show kids a block of Play-Doh and have them put their fingerprints in it. Try to get everyone’s fingerprints on one block! Point out that each one of them is different.

The Point: No one else has the same fingerprints as you. God made you so special, no one else is exactly like you. He knows you, from your favorite things, to your fingerprints. God made you, and cares about you so much.

4. Big Idea, Memory Verse, Stickers, and Prayer

Do This: Practice the Big Idea and Memory Verse with the kids, as time allows. You could use different voices, or simply have them repeat after you. Give each kid a sticker. Encourage them to talk about what they learned with their grown-ups.

Do This: Pray! “Dear God, we love you. Thank you for loving us. Thank you for always thinking of us. Amen.”
