**Intro:** 4 bars

### **Verse 1:**

Strong like a rolling thunder  
Your voice is calling  
Here in the doubt and wonder  
You draw near  
Lost in the restless chaos  
Your presence stills me  
Deep in the valley low  
You're reaching out

### **Chorus:**

And all I have to bring is all of me  
God take everything  
And be lifted high in my life  
And all I have to bring is all of me  
I give you everything  
And be lifted high in my life

**MI:** 4 bars

### **Verse 2:**

No longer bound to my fears  
Your grace has freed me  
These eyes are now so clear  
You lead me on  
Through every broken mistake  
Your love is stronger  
My heart is now awake  
I am alive

### **Chorus:**

And all I have to bring is all of me  
God take everything  
And be lifted high in my life  
And all I have to bring is all of me  
I give you everything  
And be lifted high in my life

**MI:** 2 bars

**Bridge:**

In every joy in every pain  
To God be the glory  
In every dream in all that's unseen  
To God be the glory  
In every step in every doubt  
To God be the glory  
Here is my heart here is my heart  
To God be the glory

**Chorus:**

And all I have to bring is all of me  
God take everything  
And be lifted high in my life  
And all I have to bring is all of me  
I give you everything  
And be lifted high in my life

**Bridge:**

In every joy in every pain  
To God be the glory  
In every dream in all that's unseen  
To God be the glory  
In every step in every doubt  
To God be the glory  
Here is my heart here and right now  
To God be the glory

**Outro:** 4 bars
