Verse 1:

Far beyond the things we can see
It's the cross that changes everything
A new view of life is, coming alive
So, we stand in victory
So, we stand in victory

Chorus:

We stand on promises
We stand on Your word
In every season, if it's joy or it's hurt
It's in the victory we sing
It's in the victory You move
It's in the victory we know
It's here and now
You're here and now

Verse 2:

Far beyond the words that we sing
Holy Spirit alive in me
So, we walk in the hope that you will complete
So, we stand in victory
So, we stand in victory

Chorus:

We stand on promises
We stand on Your word
In every season, if it's joy or it's hurt
It's in the victory we sing
It's in the victory You move
It's in the victory we know
It's here and now
You're here and now

Bridge:

What we brought here
We lay it down
Every fear
We lay it down
Every doubt

We lay it down
Here and now
