

TRAILBLAZERS

Group Time Guide

Supplies Needed: Courage stories.

1. Getting Started

Ask: What is something you think is frightening?

2. Discussion Questions

- What do you think about when you think about courage?
- When might it take courage to follow God?

3. Hands-On Option

Look Up and Read: Joshua 1:9 and Psalm 23:4. These verses are about the courage God gives us.

Do This: Read each of the “courage stories” and talk about what you might do if that happened to you. These stories will help kids think through different ways they can have courage.

The Point: Following God can take courage, but we can always be courageous because God is always with us!

Wrap-Up and Prayer

Ask: What was the best part of your week? What was something tough that happened?

Do This: Pray with the kids.
