Group Time Guide

Supplies Needed: Serving Charades Cards

1. Time to Talk

Look Up and Read: Matthew 20:28. This verse is something Jesus said about serving.

- What is something kind someone else has done for you?
- What is Jesus saying in that verse? (Serving is more important than being in charge.)
- When is an example of a time when you served someone else?

Ask: What would you like God's help with today, if anything?

Pray: Talk to God, mentioning things the kids talked about if appropriate.

2. Activity

Do This: Choose one kid to be the "guesser." Show the rest of the kids one of the serving charades cards. They must all act out what's on that card, while the guesser tries to say what they are acting out. Choose another kid to be the guesser after the first one gets the answer correct.

Discuss: What is a way we could serve others this week? (Do a chore for someone, find a way to help, clean up someone else's mess.)

The Point: We serve because that's what Jesus did. Even though He is God's Son, Jesus chose to serve people, because He loves them. We can follow His example and serve others today too!
