

## **We Believe**

Eagle Brook Music

When the heartache is here to stay  
When the light is far away  
Would we remember all You've done  
And praise for all that is to come

We believe  
That You will work a miracle  
We believe  
That You will move again  
Here and now  
You're moving mountains all around  
Here and now  
You're breathing life again  
We Believe

In the middle of our pain  
You are faithful You are safe  
Would we remember all You've done  
And praise for all that is to come

We believe  
That You will work a miracle  
We believe  
That You will move again  
Here and now  
You're moving mountains all around  
Here and now  
You're breathing life again  
We Believe

In Jesus name  
Let it be done  
In Jesus name  
Your kingdom come  
In Jesus name  
Let it be done  
In Jesus name  
Your kingdom come

In Jesus name  
Let it be done

In Jesus name  
Your kingdom come  
In Jesus name  
Let it be done  
Let it be done

We believe  
That You will work a miracle  
We believe  
That You will move again  
Here and now  
You're moving mountains all around  
Here and now  
You're breathing life again

We Believe  
That You will work a miracle  
We believe  
That You will move again  
Here and now  
You're moving mountains all around  
Here and now  
You're breathing life again  
We believe
